Fixtures, Standings & Results

Fixtures, Standings & Results are managed via Mark Birch, and will be updated on The Victoria Club Website, and notice boards.

Season Format

The Season is structured as a League/Division format, with each Single Player playing each other twice (Home & Away) with all matches to be held at The Victoria Club on either the Tuesday or Thursday of the fixture week. For example, if the Fixture is schedule for Tuesday 28th May, you can either play it on the 28th May, or Thursday 30th May (or if these dates are not possible, they must be played BEFORE the next Tuesday Fixture date).

Matches

It is up to the Home Team to arrange the match for either the Tuesday or Thursday, and book the table at the Victoria Club, on a first-come, first-serve basis.
If the table is fully booked on Tuesday, then the fixture must be played on the Thursday. If both days are fully booked, then the fixture must be played BEFORE the next Tuesday Fixture date.
Players must pay for the table lights.

Match Format, Scoring & Results

Each match will be played to Best Of 3.
A coin toss will decide who breaks, and then alternate breaks will follow.
League points are awarded for each frame with a bonus 1 point for the winner of the match. For example, a 2-1 Home win will award 3 points to the Home Team and 1 Point to the Away Team.
Results can be submitted to Mark Birch.

League Completion

The League will end when all Fixtures have been completed.

Prizes

The Winner and Runner-Up of each Division will get a percentage of the Entry Fee respectively.
